

Price Increase Notification

As of the 14th January 2008 there will be a slight price increase on all lessons at Kettle's Gym. This is the first increase in 3 years and we hope it will not inconvenience our members too much. The increase is to keep the gym in line with general inflation of all prices.

We would like to remind all our customers that all lessons must be paid for in advance. Permanent places cannot be offered to those that do not pay in advance. Sadly this must be applied to every member without exception due to the amount of late cancellations and 'no shows' and to avoid disputes over payments.

The following price tables below show the costs of private and main group classes for individuals or small private groups. The greater amounts of classes that are purchased in advance have a greater discount. You can purchase discounted block classes for long term use or classes that are heavily discounted for intensive use over a 7 day period. Please note that if you purchase units at the discounted rate on the 7 day tariff then they will expire one week from that time and will NOT be carried over. The percentage of discount is given for people that are committing to many lessons in the same week. If you cannot use that number in one week then the blocks of classes for long term use will be better suited. Please note that the units remain on your account until you use them and do not expire. They are NOT transferable to other members at any time and refunds cannot be given.

On the larger blocks of 50 and 100 classes we allow a system of 2 and 3 consecutive months of payments as dictated in the tables. If payments are not made in the subsequent months following the initial payment then the classes are removed from your account and the full price of any classes you have used will be removed from the first payment and any balance will be due.

Please bear in mind that to be able to book permanent slots and purchase discounted bulk classes you must have a valid membership/ licence. These can be purchased at the cost of £30 for 1 year or £50 for two years and £100 for life membership. The junior rates are £20 per year £30 for two years. Remember also that non members pay a £1 extra on every class!

Please do not ask staff to give you discount on individual or block classes. They are not authorised to do so and the prices are already extremely competitive. The ability to train in a private class for as little as £15 within facilities like this is already exceptional value. If any problems arise or you feel there is a payment that you do not owe for then please feel free to speak to Alan Keddle or Chris Carley. The receptionists are only doing there jobs and oversights can be made very easily in an establishment that is open 7 days and has to rely upon many staff and volunteers. Problems will be addressed and you will be treated as an individual. We value all our customers and will always endeavour to deal with any problems as quickly as we can.
